Presidents Report-Denise:

The mentorship program is underway. Applicants should have received the name of their mentor and will shortly be contacted by their mentor.

Susan Priest has stepped down from her position as our organizer of coffee and snacks. We appreciate and thank her for her contribution over the years. We invite a volunteer to step forward to fill her position.

Mouldings and More (MnM) have been a constant source of support to us. They have donated 2 very large framed canvases to us. We will decide how to pass these on to our members. At present MnM have 10% off purchase of water glass. Water glass is amazing - you can't even tell you are looking through glass.

Share the Sunshine Update-Carol:

Everyone is busy painting. A reminder that there are 3 drop off dates:

Wednesday October 13: 1:00 to 4:00. Parking lot by Fatburger

Friday October 15: 4:00 to 7:00 back of parking lot of Grand 10 McCurdy and Hwy 97

Sunday October 17: 10:00 to 1:00 Opus back door on Lane

It is important that the paintings be dropped off on time - don't miss the deadline. We do not want to be short of paintings for our health care workers! Thank you all.
